Chorus

A
Gonna walk
G

C A
If you don't follow me
E G E
we're through

E E
You talk to those girls
G E E
and you think that's fine
E C E
well baby that ain't so
E E
You wanna pretend
G E E
that you're not with me
E C E
well baby you can go

Chorus

You drive me round
in my thunderbird
roof down feel the breeze
But talk to those girls
instead of me and you'll
never get those keys

Chorus

You sit by my pool
in the afternoon
sunshine with my friends
But talk to those girls
and turn up late is
where this story ends

Chorus

You carry my bags
When you shop with me
For a swing dress at the mall
But talk to those girls
and it won't be me
with you at the ball

Chorus

You Romeo me
with your practiced words
sweetheart that won't do
What you tell those girls
They tell to me
As baby, they're my crew
