

Drivin' Free

Chorus

G Bb
Ever seen your dreams in the pouring rain
G
She was bright, she was white
G D
and we had to have her
G
Plenty power at the sump,
G Bb
running diesel from the pump
D
We're drivin' free
D Bb G
Louise, Duke, Arnold and me

Verse

Past Suits in their boots all living by the clock
With double shot espresso,
powered up for the day
Power down on work beers,
Easing tears and fears
We're Feelin' free
Louise, Duke, Arnold and me

Chorus

Getting out of town and noise going down
Narrow roads, streetlights gone,
pedal down to the floor
Headlights, darkness and the heat,
singing loudly to the beat
We're livin' free
Louise, Duke, Arnold and me

Chorus

Might be nearly there but we don't where
Could be here, could be there,
settle down for the night
Pitstop over at first light,
ready for the green light
We're drivin' free
Louise, Duke, Arnold and me

Chorus

It's a gas, its a laugh, there's a world to see
It's a gas, its a laugh
'No' is now 'maybe'
It's a gas, its a laugh,
What a way to be

We're feelin'
we're livin'
we're drivin free
Louise, Duke, Arnold and me
