

## Flaxen Hair

Chorus

G

Wood flames flicker

Dm7 C

as the sun goes down

G

place by the fire

Dm7 C

Is forever there

G

welcome waiting

D G D

and a warmth to share

D

friendship woven

D G D

in your flaxen hair

Verse

G

Sun got to shine

Dm7

winds got to blow

G

Rains got to fall

D

cold will bring snow

G

a girl has got to travel

D G D

to feel complete

D

content on the earth

G Dm7 G

under her bare feet

Chorus

In wildest storms

calmest seas

heat of the moment

feel at ease

A girl needs independence

to feel complete

content with her life

before taking that seat

Chorus

Anger comes

Tears find a way

but laughter guides

and binds each day

a girl needs intuition

to feel complete

content with herself

timed to her own beat

Chorus

In dust from travel

and beauty of a night

with endless stars

and warm firelight

if a place feels home

and there's always care

could friendship fall

from your flaxen hair

Wood flames flicker

as the sun goes down

a place by the fire

is forever there

a welcome waiting

a warmth to share

friendship falling

from your flaxen hair

friendship falling

from your flaxen hair

friendship falling

from your flaxen hair
