

Weaver's Dream

Chorus

Lay the wool
Prepare the treadle
Catch it on
Then feed it in
Slowly starting
Wheel moves forward
Off she goes now
Let it spin!

Verse

Childhood memories
Flooding forward
Flashing images
pictures form
Hold the water
Depth to bathe in
Catch the fish
From April spawn

Chorus

Shear the sheep
and scour the wool
soaked in tubs to
wash it clean
humble work
With water taken
From the dam called
Weavers Dream

Chorus

Find two hands
Held long cats cradle
Unwind the wool
On bobbin spun
Seventeen, eighteen
Nineteen, twenty
Twist round
And hanking done

Chorus

Pick the leaves
And salt the water
Hot water drawn
Up from the dam
Bless the miracle
Seen unfolding
Soft dyed wool
Raw from the lamb

Chorus

A woman's dream
Who needed water
She just did
What other's can
Each dream built
Moves us all forward
Inside us all
Is a Weaver's Dam
