are you so heartless
G
Why
G G G D
are you so mean
G
I don't know
C G D G
what happened to you
G
You're the loneliest person
D C D G
I've ever seen

I came to meet you
you looked right through me
No words were spoken
Not even hello
What can I do
If you won't talk to me
All I have left
Is for me to go

I came to meet you
you looked right through me
No words were spoken
Not even hello
What can I do
If you won't talk to me

All I have left
Is for me to go

What did I do
To upset you so badly
What did I say
To make you silent with me
I cannot help if you
Pretend not to see me
or is this how you
Want it to be

What did I do
To upset you so badly
What did I say
To make you silent with me
I cannot help if you
Pretend not to see me
or is this how you
you want it to be

So I am here
Singing my heart out
Trying to get through
At the top of my voice
With passing time
I will stop caring
Its in you're hands now
What's next is your choice

So I am here
Singing my heart out
Trying to get through
At the top of my voice
With passing time
I will stop caring
Its in you're hands now
What's next is your choice
